Hello,

Just want to let you know that mobilization will commence on **Monday, February 26th**. The construction work will be split into six total phases, with an end date of March 30th.

The first phase will include three locations where demo concrete, pour concrete, and mosaic installation will occur. I will be assigned to notifying businesses impacted at each phase of location prior to mobilization occurring.

Axiom Group will be coordinating special traffic control and restricting parking meters for construction.

I plan to begin notifying businesses mid to late next week.

Thanks!
